Dear Ladies,

Thank you for arranging, on one days notice, for my wife Joan and I to attend the Johnston-Willis Hospital nurses Annual luncheon meeting and reunion. Joan is a graduate of the hospitals Nursing School and worked there for 25 years. I worked there 10 years as an intern and resident physician and later as the "House doctor." Thus, Joan and I had acquired quite a few nurse friends. It was a pleasure to see so many of our nurse friends again.

Thank you for sending us Charline Joseph as our escort. Charline is a talented and gifted caregiver. She demonstrated kindness and compassion and was helpful in that she stored our walker and rolator away on both trips, to and from our home Charline helped secure our plates from the luncheon buffet. Our nurse friends were impressed with our "care giver Charline with the help of GPS, found Burford Rd Christian Church, the site if our reunion. We highly recommend Charlene for any of your future assignments.

And , thank you Sandy, for coming to our home in Montpelier on Thursday 5/19/22 to fill out the paper work.

Incidentally, you are free to use this letter as a recommendation for any future patients.

Sincerely yours,

Frank M. Sasser, Jr. MD
